

## ÖKOHAUS GER LTD

### OFFICIAL SIGNED QUALITY – ENVIRONMENTAL – OCCUPATIONAL HEALTH & SAFETY POLICY

ÖKOHAUS GER LTD operates in the design, construction, and installation of energy-efficient wooden houses, with a strong focus on sustainability and quality.

#### **Core commitments of the company include:**

- providing high-quality services and ensuring full customer satisfaction,
- continually protecting the environment and safeguarding employee health and safety.

#### **The company is committed to:**

- complying with applicable legislation and adopting international best practices,
- preventing pollution and environmental hazards,
- providing safe and healthy working environments,
- managing waste and promoting recycling,
- reducing energy and natural resource consumption,
- encouraging employee participation in OH&S matters,
- continuously training and educating staff,
- reviewing and improving its processes and performance.

#### **ÖKOHAUS GER LTD strictly prohibits all forms of forced or child labor and is committed to:**

- protecting fundamental worker rights,
- offering equal opportunities without discrimination based on gender, ethnicity, religion, age, or sexual orientation,
- respecting freedom of association and the right to collective bargaining.

#### **Management ensures the implementation of these principles through:**

- providing adequate resources,
- staff training and awareness,
- risk analysis and periodic audits,
- setting goals and performance indicators for quality, environment, and OH&S,
- maintaining active consultation and communication with all personnel.

This policy is available to all employees, partners, and the public, and is reviewed at least annually or whenever necessary.
