

Baumit External Wall Insulation Systems

System components

A solution for every requirement – masonry substrates

System	Baumit EWI System open	Baumit EWI System EPS	Baumit EWI System Mineral
	- Excellent water vapour permeability - StarTrack fixing system - Fire resistant to Euroclass B	- Economical insulation system - StarTrack fixing system - Fire resistant to Euroclass B	- Excellent water vapour permeability - Proven system - Fire resistance to Euroclass A2
Approval No.	ETA-05/0061 NSAI 09/0336	ETA-05/0062 NSAI 09/0336	ETA-05/0060 NSAI 09/0336
Base profile	Baumit SockelProfil therm Baumit SockelProfil Aluminium	Baumit SockelProfil therm Baumit SockelProfil Aluminium	Baumit SockelProfil therm Baumit SockelProfil Aluminium
Adhesive	Baumit openContact	Baumit StarContact	Baumit StarContact Forte
Insulant	Baumit Insulation Board open Baumit Insulation Board open reflect	Baumit Insulation Board EPS-F Baumit Insulation Board EPS-F plus	Baumit Insulation Board Mineral Wool Baumit Insulation Board Mineral Wool plus Baumit Insulation Board Lamella
Fixing anchor	Baumit StarTrack Baumit STR U Baumit STR H	Baumit StarTrack Baumit STR U Baumit NT U Baumit STR H	Baumit STR U Baumit NT U Baumit STR H
Basecoat	Baumit openContact	Baumit StarContact	Baumit StarContact Forte
Reinforcement	Baumit openTex	Baumit StarTex	Baumit StarTex
Priming	Baumit openPrimer	Baumit UniPrimer	Baumit UniPrimer
Topcoat	Baumit NanoporTop Baumit openTop Baumit StyleTop Baumit openFascina	Baumit NanoporTop Baumit SilikonTop Baumit SilikatTop Baumit StellaporTop Baumit GranoporTop Baumit StyleTop Baumit KRP Jura Baumit SEP	Baumit NanoporTop Baumit SilikonTop Baumit SilikatTop Baumit StellaporTop Baumit StyleTop Baumit KRP Jura Baumit SEP

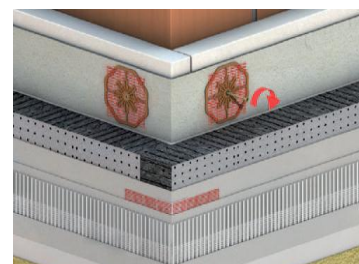

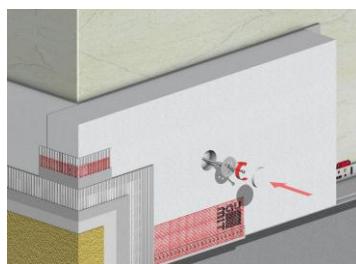

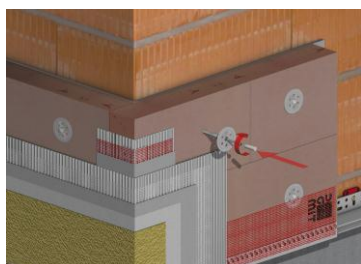

The external wall insulation systems must be applied in accordance with Baumit recommendations and current best practice.

Refer to Baumit Product Data Sheets for further information.

Baumit External Wall Insulation Systems

System components

A solution for every requirement – masonry substrates

System	Baumit EWI System XS 022	Baumit EWI System XPS	Baumit EWI System Duplex
	- Low lambda value - Best thermal performance - Thin insulation thickness	- Economical insulation system - StarTrack fixing system - Fire resistant to Euroclass B	- Installed over existing insulation - StarTrack fixing system - Improves living comfort
Approval No.	ETA-10/0207 NSAI 09/0336	ETA-10/0208 NSAI 09/0336	ETA-05/0061 NSAI 09/0336
Base profile	Baumit SockelProfil therm Baumit SockelProfil Aluminium	Baumit SockelProfil therm Baumit SockelProfil Aluminium	Baumit SockelProfil therm Baumit SockelProfil Aluminium
